The meeting was chaired by the Deputy Commissioner, West Karbi Anglong, Hamren. This month's DDC dwell on the progress of Ayushman Bharat Cards for the NFSA beneficiaries. The chair informed that as on date we have achieved only 47% coverage which is very less in comparison to other districts, we still have a gap of 70,000 which need to be covered within June, 2023. The action points of the discussion are as started: -

1. BPM (NHM) of the four blocks will review with their ASHA workers who are assigned IDs for generation of cards. Target from each one is to fixed and they are to report on the prescribed format every week on their progress.
2. DPM, ASRLM is to ensure that all Jibika and Bank Shakhis will complete their assigned targets in the field.
3. The BLOs who are given IDS for generation is to ensure the coverage in their jurisdictional area.
4. DDS, food and Civil supply is to be called as no effort has been put up from their side. Even though they have showed that 98% -KYC done for NFSA beneficiaries, but during visit of our FLWs for card generation a substantial numbers of beneficiaries have error in their data.
