Sub: - Regarding status of DDC meeting minutes in respect of West Karbi Anglong district.

Ref. D.O. Letter No. PD(ME)12/2021/39, Dated-18<sup>th</sup> April,2023.

Sir/Madam,

With reference to the subject cited above, I have the honour to inform you that the District Development Committee (DDC) meeting was not held regularly as most of the development departments are under the administrative control of Karbi Anglong Autonomous Council (KAAC). The district started holding the meeting with the concerned officials who are doing schematic programme under our control. The DDC meeting for the months of September, October, November, December, 2021 and January 2022 was not held due to prevailing situation of Covid-19 pandemic cases in the district. November, 2022 and April, 2023 DDC meeting was not held due to border distress with Meghalaya.

The main reasons for not holding the monthly DDC/review meeting regularly are as follows:

1. Most of the Developments (as many as 30 departments ) are under the administrative control of Karbi Anglong Autonomous Council (KAAC), Diphu and as such, various development works/schemes are monitored and reviewed by the authority of KAAC.
2. However, review meeting on MPLADS/ Untied Funds/ AAGY/ Assam Darshan, Health etc, are held at our end to review the schemes. Most of the officers of the Departments are based in Diphu. Their presence is not regular at Hamren, the district headquarter.

In view of the above, the minutes of the monthly DDC meeting could not be hosted in the district portal in every month.

This is for favour of your kind information and necessary action.

Yours faithfully

*K. Barua*
